AIRPORT

MASTER PLAN PURPOSE

Marie Keister (Engage Public Affairs)

Master Plan Purpose

- Combine community engagement with the university's strategic vision to formulate the blueprint for the airport's long-term development
- Identify current and future needs and gain consensus on investment priorities for the next 20 years

Overview

- The 3rd busiest airport in the state
- One of the leading general aviation facilities in the nation
- An important contributor to the economic vitality of the central Ohio region
- A learning lab for future professionals, a core facility for university research and provides key services to Columbus area industries
